Sir:

In a Letter from the Patent Office dated January 28, 2003, it was indicated that a marked-up copy of the Abstract was needed under U.S. Patent and Trademark Office Rules.

Accordingly, attached hereto is a marked-up copy of the Abstract together with a clean copy of the Abstract, which is to be inserted at the end of the last Reply. Note a clean copy of the Abstract has been enclosed because it appears that the Examiner has not entered the previous clean copy of the Abstract.

**COMMENTS**

It is considered that the Abstract as presented in the last letter was correct.
